2001 Federal Tax and Wage Statements for Department of Defense Personnel

The 2001 Federal Tax and Wage Statements (Form W-2) were mailed to all Department of Defense personnel by Jan. 15, 2002.

Military and civilian personnel who have not received their 2001 W-2s forms or think they need a corrected W-2 must contact their local military finance/pay office or their activity's customer service representative, respectively. If the local finance office or customer service representative is not available or cannot help, please follow the directions, based on your status.

Army: Army members must go through their servicing finance office or Defense Military Pay office to get replacement or corrected W-2 forms. If you have separated from the Army or are requesting W-2 forms for off-line payments (student loans/claims) or do it yourself (DITY) moves, etc., call 1-888-PAYARMY. Army members who separated from the service with a debt requiring a W-2 should call 1-800-962-0648.

Navy: If you are unable to contact your local military pay office call 1-800-346-3374 Monday through Friday between 7 a.m. and 7:30 p.m. EST (except on Federal holidays).
